Be proud of who you are
(repeat)

'Cause there will never be another you (2x)
Another you
Another you
Never be another you

So you don't live in a mansion (ooh)
Sitting up on a hill
Can I teach you a lesson (ooh)

Be proud of who you are

'Cause there will never be another you (ooh) (2x)

God made you
That lets me know that you are special you
