

Anybody Here *Deitrick Haddon*

Chorus Is there anybody here
 That loves my Jesus
 Is there anybody here
 That loves my Lord, yea
 Is there anybody here
 That loves my Jesus
 Oh, I wanna know
 If you love my lord

Verse 1 Let everything that has breath praise him
 Put up your hands and raise them
 Go tell somebody His story
 Come on and give Him glory
 Wake up, oh Zion
 The glory of the Lord is revealed
 Everybody here knows
 Jesus is real

/Chorus/

Verse 2 Come on clap your hands now
 Come on wave your hands now
 Where the spirit of the Lord is
 There is liberty yeah
 Why should you be bound
 If the Lord has set you free
 Everybody in the place
 Sing along with me

/Chorus/

Bridge Say I love...**I love, Jesus...Jesus**
 Say I love...**I love, Jesus...Jesus**

Vamp I wanna know if you love the Lord
 I wanna know if you're loving Him
