

Be Transformed Daniel Austin

Be transformed by the renewing of Your mind, your heart, and your soul

You can do it, I know that you can

Just change the thoughts that lie in your head

*You can do it

You can do it

You can do it

I know you can

I don't walk like I use to walk (No, no, no, no)

I don't talk like I use to talk (no, no, no, no)

I don't do what I use to do (no, no, no, no)

I don't live like I use to live (no, no, no, no)

You can do it

You can do it

You can do it

I know you can

I don't think like I use to think

I don't drink what I use to drink

I don't smoke what I use to smoke

I don't do what I use to do

I don't go where I use to go

I don't go think what I use to think

I don't sleep where I use to sleep

I don't live like I use to live

You can do it

You can do it

You can do it

I know you can

Be transformed (3x)

By your mind

You can do it (yes)

You can do it, you can (of your mind)

END

Be transformed
