

Changed *Tremaine Hawkins*

LEAD: A change, a change has come over me

CHOIR: He changed, my life, and now I'm free

LEAD: He washed away all my sins and He made me whole

CHOIR: He washed me, white as snow

LEAD

He changed my life complete

And now I sit at His feet

To do what must be done

I'll work until He comes

UNISON: A wonderful change has come over me

HARMONY: A wonderful change has come over me

VAMP

Changed, changed, changed

I'm so glad He changed me

(2x)

UNISON: A wonderful change has come over me

HARMONY: A wonderful change has come over me

VAMP (INVERTED)

Changed, changed, changed

I'm so glad He changed me

(repeat as directed)
