

Glory and Honor

Chicago Mass Choir

VS1

You've always been there for me
You've even opened doors I could not see
You made a way for me when I thought there was no way
You proved your love for me when you died to set me free
So now I owe You me

VS2

If I had ten thousand tongues,
I'd reverence You, dear Lord, with every one
You picked me up when I was down
Placed my feet on solid ground
I lift my voice and cry holy unto Your name

CHORUS

You are my God
I will worship You and bless Your name
Glory and honor be unto Your precious name
You are my God
None compares to You; I bless Your name
Glory and honor be unto Your precious name

BRIDGE

Glory, glory, glory be unto the king of kings
Glory, glory, glory and honor be unto Your precious name
(modulate 3x)

END

Glory and honor be unto Your precious (3x)
