

Glory to the Lamb *Marvin Sapp*

VERSE 1 I sing my song to you, I give You praise
I lift my hands to You, my voice I raise
Because of who You are I am who I am
We sing glory to the Lamb

You saved my soul from sin, answered my prayer
Dressed me in righteousness, none can compare
Showed me the path to walk, You showed me your plan
We sing glory to the Lamb

CHORUS There's one name above Earth and sky
Lord Jehovah reigns, rules on high
We bow down before You, Great I Am
We sing glory to the Lamb

VERSE 2 You are the only one, you gave me hope
Took all the broken dreams and made them whole
You found the best in me, showed me who I am
We sing glory to the Lamb

There is no other name that I can call
You showed me that You are my all and all
Your strength empowers me to be what I can
We sing glory to the Lamb

/CHORUS 2x/

BRIDGE Lamb of God, holy lamb of God
You are the great I am
You're the King of Kings
You're the Lord of Lords
And we move at Your command

/MODULATE//CHORUS/

VAMP Sing hallelujah to the risen King
Sing hallelujah let His praises ring
Sing hallelujah to the great I am
We sing glory to the Lamb
(repeat all 3x)

END We sing glory to the Lamb (5x)
