

## **He's Able** Isaiah Thomas

### CHORUS

He's able, I know that He's able  
To do exceedingly above all you can ask and think  
I know He is  
(Lead 2x, choir 2x)

### VERSE

He can move mountains  
He can calm the raging seas  
He has made so many ways for me, yes  
He can do the impossible  
My God is just that powerful  
Whatever you need from Him today  
Just know that He is able

/CHORUS/

### VAMP

He can do/ what no other power can do  
(repeatedly)  
He can do/ he can do

Yes, yes, do exceedingly above all you can ask and think  
I know He is  
Yes, yes, do exceedingly above all you can ask and think  
I know He is

/VAMP/

### END

...the impossible  
He can do miracles  
He's able
