

Hold Me Jesus

Jackson Southernaires

VS1

Lord you know that I'm your child
And I'm doing the best that I can
Why 'd my way get so hard
You know I just don't understand, oh Lord

CHORUS

Oh Lord, I need you to hold my hand
Oh Lord, I need you to hold my hand

VS2

As I travel from place to place
Many times I'm treated so bad
Then I sit and think about
I can't miss a friend that I never had, oh Lord

CHORUS

VS3

I'm gonna continue to run for Jesus
Even if I have to run alone
Because it's my determination
To make God's beautiful Heaven my home

CHORUS

VAMP

Hold me Jesus
