

# **I Am So Grateful** *Kathy Taylor*

## VERSE 1

For waking me up this morning, Lord I appreciate Your love  
And for keeping me all through the day, I need to say  
Thank you Lord for walking right by my side  
Every night, I can always say  
Without your help I couldn't make it through the day

## CHORUS

Lord I won't thank You enough  
But I really am grateful for keeping me  
Lord I won't thank You enough  
But I really am grateful

## VERSE 2

For every tear that I cry....you know what  
it reminds me of a storm that You already brought me through  
For every pain that I feel  
Reminds me there is no sickness You can't heal  
Every night when I fall on my knees to pray  
Lord I hear You telling me trouble don't last always

/CHORUS/

## BRIDGE

Every time I get a chance to take the time I'll praise You  
I'll never forget all You've done for me  
Every time I get a chance to take the time I'll praise You  
I'll remember when You saved my soul from sin

## VAMP

Grateful (3x)  
(repeat as directed)

## END

Lord I won't thank You enough  
but I really am...grateful
