

I Can't Let a Day Go By *The O'Neal Twins*

CHORUS

I can't let a day go by without praising His name
I can't forget from whence I came
I can't let a day go by (without) counting the cost
I can't let a day go by without praising His name

VERSE 1

I've been through the fire
I've been through the flood
Like a good soldier, God knows I've been tried
I've got a story that's got to be told
He brought me out **as pure gold**

VERSE 2

I can't keep it to myself
I've got to run and tell somebody else
Hold on and be strong
God is still **on the throne**

/CHORUS/

END

I can't let a day go by without praising His name
(repeat as directed)
