

## I Still Have Joy

Joe Pace

After all, after all  
After everything I've seen  
Thank God I still, still, still have joy  
Through the storm and the rain  
Through heartaches, stress and pain  
Thank God I still, still, still have joy  
(Repeat)

Verse:

It was down through the years  
You know the Lord had to come and dry my tears  
(Thank God I still, still, still have joy)  
Well, weeping may endure for a night  
But early in the morning everything is going to be alright  
(Thank God I still, still, still have joy)  
(Repeat verse again)

Vamp:

I still have joy (repeat as directed and invert)

End:

Through the storm and the rain  
Through heartaches, stress and pain  
Thank God I still, still, still have joy
