

I Want to Say Thank You

Youthful Praise

VERSE 1

If I never live another day
If I never see another smiling face
If I never breathe another breath or take another step
I wanna say thank You

If I never hear what's to be heard
If I never speak another word
If I never see another sight or taste another bite
I wanna say thank You

CHORUS

I thank You for all that You've done thus far
Thank You for being the God that You are
Thank You for food on my table
I know You're able
I wanna say thank You

If I never take another walk
If I never have another talk
If I never hear another voice or make another choice
I wanna say thank You

If I never scale the China wall
Or take a flight and go see the Taj Mahal
If I never find a special friend, if I search the world over and
back again
Lord, I wanna say thank You

/CHORUS (modulate 3x)/
