

If God Is Dead

Dr. Margaret Douroux

Ten: If God is dead, what makes the flowers bloom
If God is dead, what makes summer

All: Come in June

Sop: If God is dead, who hears me and who answers prayers

All: I'm glad I know He lives, He lives – He lives, He lives, He lives, He lives

Sop: If God is dead, who mends the broken heart
If God is dead, who keeps night and

All: Day apart

Ten: If God is dead

All: Who can tell me where His body lies

I'm glad I know He lives, He lives – He lives, He lives, He lives, He lives

Vamp:

Sop: Everyday He's moving

All: Through the trees, in the wind, and the breeze

Sop: I can see Him shining

All: Through the night in the stars that shine so bright
If God is dead...

Sop: What makes my life worth living

All: I'm glad I know He lives, He lives – He lives, He lives, He lives, He lives

(Repeat)

Vamp 2:

I'm glad I....know....He lives

Know...He lives

I'm glad I know He lives, He lives – He lives, He lives, He lives, He lives
