

If Jesus Can't Fix It

If Jesus can't fix it nobody can
Oh, if Jesus can't fix it nobody can, nobody can

Verse 1

Someone is struggling and all their bills are due
Your child is giving you problems and your health is fading too
The weight of the world is pressing you down
And when you need a friend no one can be found
But I know someone who really cares
Oh, in whatever situation He can answer prayers

Oh, if Jesus can't fix it nobody can, nobody can

Verse 2

There was a woman with an issue of blood
My bible tells me 12 long years
She heard about Jesus was passing through
And she pressed her way, pressed her way through the crowd
She said if I could touch the hem of his garment
I know I would be made whole

Oh, if Jesus can't fix it nobody can, nobody can

VAMP

He'll fix it
Jesus, will fix it

END

Oh, if Jesus can't fix it nobody can, nobody can (UP)
