I'll Just Wave My Hand
Lee Williams

Chorus:

If I couldn't say one word
(I'll just wave my hand)
If I couldn't say one word
(I'll just wave my hand)

Verse I:

He been to good good to me
Kept me out of danger
When danger was around me
(If I couldn't say one word
I'll just wave my hand)

Chorus:

If I couldn't say one word
(Oh, oh, oh I'll just wave my hand)
If I couldn't say one word
(I'll just wave my hand)

He been good good to me
I just can't forget
What he did at Calvary
(If I just can't say one word
I'll just wave my hand)

Verse II

I couldn't have done what you did
When you went to Calvary
You shed your blood
II You shed it for me I
That's why I am standing here
On your word
I know your word
Will forever stand
If I couldn't say one word hey hey
I'll just wave my hand (repeat)

End:

If I could say one word
If I just wave my hand
If I couldn't say one word
I'll just wave my hand
