

I'm Waiting *John P. Kee*

CHORUS

If you believe prophetically just what God said you've got to learn
(How to wait on Him) /repeat/

I'm patiently waiting

(I'm patiently waiting)

I'm fasting and praying

(I'm fasting and praying)

God's gonna do everything He said

(if you wait on Him)

/Repeat CHORUS/

VERSE

David was a mighty king

Early one morning his enemies stole everything

When David looked around he had no friend great or small

But he heard the word and he recovered all

CHORUS

VAMP 1

I'm waiting

I'm waiting on Him, yes

VAMP 2

I've got to wait on Him

END

He's gonna do everything He said

(if you wait on Him...oooh)
