

It's All God Soul Seekers

Verse 1

I've got money in the bank, cars in the driveway
I've got a house I can claim, clothes in the closet
I've got a bed for my head
Shoes for my feet
I've got breath in my body
And if I was just anybody I'd say "it's all good"
But I know better, it's all God
But I know better, it's all God

Verse 2

I've got friends I can call when I need help
I've got a family when I fall to pick me up
I've got a bed for my head
Shoes for my feet
I've got breath in my body
And if I was just anybody I'd say, "it's all good"
But I know better, it's all God
But I know better, it's all God

BRIDGE

Lead: It's all God (8x)

Chorus: And if I was just anybody I'd say (I'd say) "It's all God" (It's all good)
But I know better, it's all God
But I know better, it's all God

VAMP

Oooh...

It's all good, it's all God

END

And if I was just anybody I'd say, "it's all good"
But I know better, but I know better, (harmony) but I know
It's all God
