

Lets Go Back to the Old Landmark

as recorded by Jeff Banks and The Revival Temple Mass Choir

VERSE 1

Let's go to the old landmark
Where the Lord came in our hearts
Full of joy and so much love
Filled with the power from above

Come on let's go back (4x)

VERSE 2

Let me tell you what we use to do
And the time that I came through
All the saints would gather around
Singing and praising 'til the power came down
