

Living Testimony

Doug Williams

CHORUS

I am a living testimony
I could've been dead and gone
But, Lord, You let me live on
I am a living testimony
I thank the Lord I'm still alive

VERSE 1

I've seen miracle after miracle performed in my life
He kept having mercy on me
I didn't deserve to be alive
When I faced danger that I couldn't see
You kept your angels encamped around me
I want to take this time out and say thank you for keeping me alive

VERSE 2

I had many friends and loved ones who have gone on before me
Lord, It caused my heart to bleed
But I realized that it could've been me
I know I'm not worthy
But Lord you keep on keeping me
I wanna say thank you, Lord, I thank You, Lord, I'm still alive

/CHORUS/

VAMP

I'm still alive (3x)
I thank You, Jesus, I'm still alive
(repeatedly)

END

I thank the Lord I'm still alive (3x)
