

## Lord You Love Me Joshua's Troop

Verse 1      Lord You love me  
                 Out of all the mistakes you still love me  
                 You stay right by me  
                 Through my hurt and through my pain You never left me  
                 (repeat)

Chorus        I never shall forget what you've done for me , no never  
                 Drowning in my sin but in the very end , You forgave me  
                 You make my life so complete, I'll never forget  
                 You've been so good  
                 You've been so kind  
                 You've been so true  
                 Lord divine

Verse 2        You forgave me  
                 I've been wrong so many times, You still love me  
                 You gave me favor  
                 Through my ups and through my downs, You never left me  
                 /CHORUS/  
                 I thank You Lord, I really do

Vamp         Thank You, thank You, thank You
