

Make A Way *Micah Smith*

VERSE 1

(ooh) Trouble in the water 'cause I can't keep still
Feeling kinda helpless, but Lord I know You're real
Looking to the hills now 'cause my help's up there
Jesus is the answer to my every prayer
See, I know...

CHORUS

Jesus, He will make a way somehow
Jesus, He will make a way
(repeat)

VERSE 2

See I turned to the left for a little help
And then I turned to the right for a moment, I messed around and fell
But now I'm on the straight and narrow trying to do what's right
'Cause if I seek His righteousness see
CHOIR: (All my battles He will fight)
I'm tryin to be a Christian 'cause I know it pays
It pays to serve Jesus each and every day
In Him there's no worries 'bout what I've got to do
CHOIR: (So I'm a living witness)
That He will bring you through

/CHORUS/

VAMP

Jesus, He will make a way somehow
Jesus, He will make a way
(2x)
/INVERT and REPEAT/

END

Jesus, He will make a way somehow
Somehow, somehow, somehow
