

More Than A Holiday Hezekiah Walker

A More than a holiday
 More than lights glitter and shine away
 More than a glistening snow
 More than just a mistletoe

B For unto us a child is born
 For unto us a son is given
 For unto us Emmanuel has come
 A chance for all mankind to be forgiven

C A change in me He's made
 I am saved today
 You see, Christmas to me is more than a holiday
 You see, Christmas to me is more than a holiday

VAMP 1 Keep Jesus in your Christmas
 And you'll always have a happy holiday
