

The Potter's House *by Walter & Tremaine Hawkins*

VERSE 1

In case you have fallen by the wayside of life
Dreams and visions shattered
You're all broken inside
You don't have to stand in the shape that you're in
The potter wants to put you back together again
Oh the potter wants to put you back together again

VERSE 2

In case your situation has turned upside down
And all that you've accomplished is not on the ground
You don't have to stand in the shape that you're in
The potter wants to put you back together again
Oh the potter wants to put you back together again

BRIDGE

You who are broken stop by the potter's house
You who need mending stop by the potter's house
Give him the fragments of your broken life
My friend, the potter wants to put you back together again
Oh the potter wants to put you back together again
(repeat)

VAMP

Joy in the potter's house (2x)
Peace in the potter's house (2x)
Love in the potter's house (2x)
There is salvation in the potter's house (2x)
There is healing in the potter's house (2x)
There is deliverance in the potter's house (2x)
You'll find everything you need in the potter's house

The potter wants to put you back together again
Oh the potter wants to put you back together again
